Focus: Number bonds

Learn about number bonds by watching this BBC bitesize video:

<https://www.bbc.co.uk/bitesize/topics/zwv39j6/articles/zx3982p>

Activity: Using a die roll a number and write it down! Can you make a number bond to 10 then 20? For example: If you roll a 6: $6 + 4 = 10$ and $6 + 14 = 20$. (If you haven't got a die ask an adult to pick some numbers for you!) How many can you make?

Play Hit the button: <https://www.topmarks.co.uk/maths-games/hit-the-button> and select the number bond activity. Good luck!
