

Daily Learning Task 10

Year 1

Maths:

Focus: Time

Listen to the hip hop around the clock song:

https://www.youtube.com/watch?v=g6tJAY_7AL4

Search your house and find items that tell you the time. How many can you find?
(Microwave, phone, TV etc)

Have a go at making a clock: I have attached a copy at the end of the document, or you could create your own using a paper plate/card etc. (If you don't have split pins at home just wait until the end of the activity to stick them down so you can move the hands)

Practice telling the time using the hour hand and minute hand.

Extra activity: Why don't you keep a diary today and record what you do at certain times of the day for example: 8 o'clock: Have breakfast 9 o'clock: Exercise 10 o'clock: Have a snack etc.

English:

Listen to the alphabet song:

<https://www.youtube.com/watch?v=XC6wQQHo8uU&t=102s>

Today I would like you to search your house and find objects for each letter of the alphabet. (If you can't find an object you could write it down instead!)

For example:

a - apple

b - box

c - curtains.

Make a list of your family members - can you make a register for them? (Remember a register is in alphabetically order)

Other:

Focus: PSHE: Healthy eating/Food technology

Can you design a healthy snack? Draw a picture and label it.

Discussion: Why is it important to eat healthy?

If you can: Have a go at making a healthy snack.

Ongoing tasks:

Please make sure you read your reading books.
