What can we do better?

What Could Beaumont Do Better? – Parent Feedback Summary

Thank you to everyone who shared honest and thoughtful suggestions. While many of you are very happy with what Beaumont offers, some common themes for possible improvement emerged. These insights help us reflect and grow together as a school community.

Inclusivity and Accessibility

- Suggestions were made for more club variety for Key Stage 1, helping younger pupils build skills early. **We only have so many people - parents can help and volunteer.**
- Some parents would like clubs (especially sports) to be more accessible financially, with concerns around cost creating unequal opportunities. **We offer free places to parents who are on benefits. Unfortunately we have no choice but to charge for some clubs due to the state of nationwide school budgets. This is not a Beaumont problem, this is a national problem.**
- A few parents suggested the school could ensure that cultural and religious education remains broad and inclusive, including revisiting places of worship. **We fulfil the requirement set out by Bolton SACRE.**

Academic Challenge and Support

- Requests for more academic challenge for high-achieving pupils who find schoolwork easy. **Not sure this is required, come and see me individually if you think your child isn't stretched.**
- A few parents also suggested more one-on-one academic support for those who may be struggling. **We have an intense adaptive teaching programme and support offer that we teach other schools to implement, as it was applauded by Ofsted.**
- Additional guidance for parents on supporting learning at home and more regular feedback on progress would be welcomed. **We feedback 3 times per year but have an open door policy - come and talk to us!**

Communication and Transparency

- While communication is appreciated, some found the Class Dojo notifications overwhelming and asked for a more streamlined approach. **We can never win on this - too much, not enough, we just do our best!**
- A few parents expressed interest in greater transparency around PSA fund usage, helping them understand where contributions go. **I have put it on the newsletter and we are moving towards a charity status (The Friends of Beaumont) which will have more focus and greater transparency.**
- More advance notice and reminders for events and deadlines were also mentioned. **Every newsletter has a full break down of the term ahead dates.**

We are humbled and honoured to look after your children!

What can we do better?

Affordability and Cost Sensitivity

- A small number of parents expressed concern about the frequency and cost of school-related contributions, including non-uniform days and Year 6 events. **Unfortunately, we have no choice but to charge for some events due to the state of nationwide school budgets. This is not a Beaumont problem, this is a national problem.**

Parent Involvement and Accessibility

- Suggestions to offer parent workshops (e.g. phonics, maths) outside normal working hours to support working families. **Good point, we will look at this.**
- Interest in more promotion of PSA involvement to attract new members and keep parents engaged. **Have you seen our revamp to the Friends of Beaumont? Exciting times ahead!**

School Life & Facilities

- Ideas included:
 - More variety and larger portions for school lunches. **Write to Bolton Council.**
 - Options to use pen and paper for homework, to support handwriting and reduce screen time. **Please see our Home Learning policy and the rationale behind it.**
 - Playground enhancements (e.g. swings or new equipment). **Swings are a Health & Safety no, no as we are not a park. Plus, we need money to do this and I have mentioned that budgets are tight.**
 - Make Sports Day more engaging and enjoyable for children and parents alike. **I refuse to accept that Sports Day is not engaging or enjoyable, the children said, it was the best one ever! Do you know we have just received a PLATINUM award for Sport?**
