

Reading Newsletter

Dear Parents/Carers

What a busy Spring term we have had! We have been so busy these past few weeks and Beaumont have continued to impress me with their attitude, efforts and progress in English! I can't wait to share some of our successes with you...

This term has consisted of lots of fabulous writing across school, including writing about the Three Little Pigs in Reception, riddles about castles in Year 1 and writing instructions about how to make bread in Year 2. Year 3 enjoyed writing traditional tales with a twist, Year 4 have been researching and writing a biography about Claude Monet, Year 5 loved exploring Norse mythology and Year 6 have been writing diary entries, which are showcased beautifully in their classroom. WOW! I hope that you enjoyed seeing some of this amazing work during parent conferences earlier this week.

As well as being the best Beaumont writers, our children are working hard with their reading skills, too! As you know, we love our Beaumont Reading Dogs and they have helped us so much with our prediction, retrieval, summarising, sequencing, vocabulary and inference skills, alongside several others too! Have you heard about our newest reading dog – Fluency Flo? Flo is well and truly embedded into our curriculum now and children love explaining her role in helping us become the best possible readers!

World Book Day, 2024 - where do I start!? World Book Day is always one of my favourite days of the year and this year was no exception. Book character outfits looked fabulous, vocabulary costumes were as creative as ever and many of us chose to come to school in our comfiest pyjamas and dressing gowns! Showcasing these in assembly was a brilliant start to the day.

Reception began World Book Day with a 'Book and a Biscuit' session, which was a huge success! Thank you to our lovely Reception parents who were able to join us in the school hall to read stories and enjoy a drink with our youngest readers. We hope you enjoyed!

We also invited students from Ladybridge High School into school to read with children from Year 1 to Year 4. We love making links with local schools and Ladybridge pupils and staff were very impressed with how wonderfully our children were able to read and share their favourite books. Another highlight of the day was the teacher swap! All class teachers visited a different class and read their favourite book. Can you remember which book your teacher shared? A brilliant World Book Day was had by all, but we are so lucky at Beaumont because every day is a reading day!

Our bedtime boxes had an exciting addition at the start of this term – the bedtime box review book! Please continue to write your reviews in here as I know that staff and children alike love to see the books you are enjoying. Have you had an opportunity to write your review yet? I'd love to see!

Library club continues to be very popular during Wednesday and Thursday lunch time. It is lovely to see so many children eagerly choosing new books and recommending stories to their friends.

A huge thank you to our librarians who continue to ensure that library club is enjoyed by all Beaumont children. If there is a book that you would like to recommend we purchase for the library, please do let us know. At the end of April, the Book Fair will be returning, so this will be another opportunity for you to get your hands on your favourite books! Stay tuned for more information about this nearer the time...

Thank you to all parents and carers for your continued support in ensuring children are reading at home and working hard in English. I can't wait for the summer term already (what is better than reading a book in the sunshine?) but first, enjoy your break and keep reading! ☺

Kind regards,

Miss Mitchell-Yorke

English Lead
