What is a **polygon**? Watch the following video to find out and make a poster to show you understand.

<https://www.bbc.co.uk/bitesize/topics/zvmxsbk/articles/z98n4qt>

You should include at least 5 different polygons on your poster as well as an explanation of what it means.

Which of the shapes above are not polygons?
Why?

English:

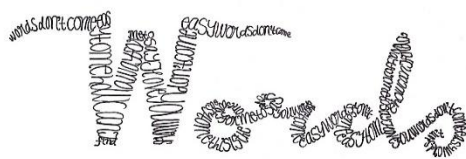

'Myths and Legends'.

What do you already know?

Do some research to find out what a myth is and how it is different to a legend.

Do you know any famous myths or legends? List the titles.

Our 'Word of the Day' today is:

ARCHAIC

- What does it mean?
- Use it in a sentence.
- Find a synonym for it.
- Use the letters to make new words.
What is the longest you can make?

Other:

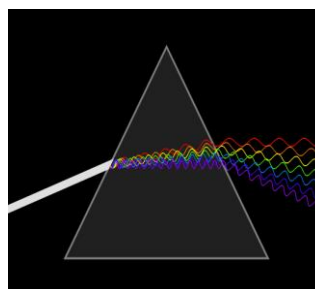

Science

As we do at the beginning of every Science topic, create a **concept map** to show what you already know.

The following words *could* be included on your map, if you know what they mean (just make short notes).

reflect reflection reflective
shadow light dark ray
artificial light-source
natural light-source opaque
transparent translucent

Light

Ongoing tasks:

Read, read and read some more! If you fancy reviewing a book you have recently read, see the last page for a review sheet.
