

Reading Newsletter

Dear Parents/Carers

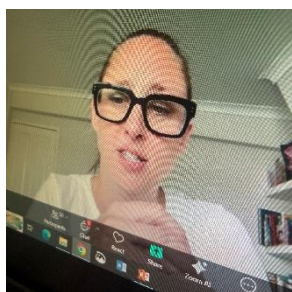

What an exciting Summer term we have had filled with reading, new books and fabulous work! We have been so busy these past few weeks and Beaumont have continued to impress me with their attitude, efforts and progress in English!

Our lunch time library club has been as popular as ever! Children have visited for a relaxing read or to loan a book to read at home. It is always so lovely to see children exploring the available texts and choosing one to read for themselves. I must say a huge thank you to our Year 6 library prefects who have done a FABULOUS job this year. They have worked tirelessly to ensure our library is organised and well attended each week. Thank you to **Aaishah, Muhammad-Adam, Zachary & Dara** – you are going to be missed and you are leaving big boots to fill for our Year 5's who have just been given their library prefect roles for next year –

Amelia, Linus, Noah, Haniyah & Eesa (soon to be Year 6's)!

Well done to all those children who have won their class Reading Award this term. You have been spotted by your teacher for fabulous dedication to reading at home and in school. Next year, the hot chocolates are making a comeback in the bedtime reading bag, alongside a bookmark and a reading dog to read to at home! Please keep taking care of our award resources and remember to return them each week ready for the next winner!

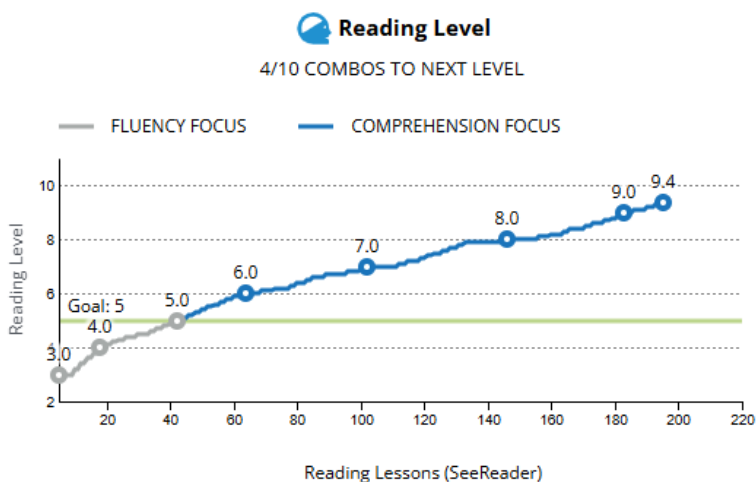

Part of promoting the Summer Reading Challenge 2026 involved being given the opportunity to take part in an online session with a well-known author. Year 5, along with many, many KS2 classes across Bolton, recently joined an online call with author, Maz Evans! The children were very excited not only because they got a chance to listen and be inspired but because they also read one of Maz's books when in Year 4. **Who Let The Gods Out?** is one of Year 4's famous five books and one which is thoroughly enjoyed during their Ancient Greek learning.

reading plus®

Reading Plus remains a brilliant tool for our Year 5 and Year 6 children. The progress children have made this year is remarkable! Excitingly, it is Year 4's turn to start using the fantastic reading resource as they move to Year 5 next year! I am sure they are going to love it!

Look at this **FABULOUS** case study! A Year 5 child has accessed Reading Plus **consistently** across the year, in school and at home, and the reading level progress speaks for itself!

Lastly, I have mentioned this on Class Dojo but for those who missed it, the **Summer Reading Challenge** is back! Visit your local library – it is **FREE** – for more information on how to take part. We usually have lots of children taking part from Beaumont so let's have the same again this year! Bring your medals into school in September and let's celebrate your wonderful dedication to reading.
Today a reader, tomorrow a leader!

I hope you all have a wonderful summer holidays. Stay safe, have fun and keep on reading!

Kind regards,

Mrs Dixon

English Lead
